Slide 2010 Catalogue
Brand & Product Directories

The information you provide will form the basis of the individual brands section and the product category section in the **Slide 2010 Catalogue**.

Include any brand names you will be showing, along with appropriate product category code number, which are shown on the separate list.
Each brand **must** be relevant to the listed category codes. The organisers reserve the right to review the category coding of all brands.
Your entries can be enhanced with the inclusion of mono logos in the Brand section. See the enclosed advertising form for further details.
All information must be received by **11 December 2009** in order to guarantee inclusion in the catalogue.
